

Suffering

Massacre

I suffer
And writhe in pain
The agony I feel
Bares your name
I'm trapped
In this hell you create
Your lack of love
Fuels my hate

I live for tomorrow
But I die each day
I'm lost in sorrow
Take the suffering away

I remember when there wasn't any pain
I remember when it didn't hurt

I laugh
At the promise you made
The stab in the back
xxxxxxxxxxxxxxxx blade
I scream
At your lies and all
The depths of this misery
From the nightmare you cause

I live for tomorrow
But I die each day
I'm lost in sorrow
Take the suffering away

I'll show you what it's like to suffer

Know what it's like to wanna die
Take your life - suicide
This agony you caused me
I need to end - the suffering

Suffer - suffering - suffer

I suffer
And writhe in pain
This agony I feel
Bares your name
I'm trapped
In this hell you create
Your lack of love
Fuels my hate

I live for tomorrow
But I die each day
I'm lost in sorrow
Take the suffering away
Take the suffering away
Take the suffering away
Take the suffering away
The suffering
