Be Easy

Massari

Be easy hommie let's pop a bottle
This is for the fellas in the spot that wanna rock with me
Tonight I wanna find me a model
We all came here and do what we do

I know you ain't tryin to get caught up You don't got a problem chillin in the spot with me And we just wanna have a good time VIP is about to get hotter

Leave all them troubles hommie and lets pop the bottle Come on now mommi we sippin Dom Perignon

Know that your feelin it when you jump up and holla

Shakin' it shakin' it take it high bring it low

If you wanna love somebody You need to get up out your seat If you wanna be ma shorty Then come and give your love to me

If you wanna love somebody
You need to get up out your seat
If you wanna be ma shorty
Then you gotta come and give your love to me

Be easy hommie lets let the game roll When it comes to singin' ain't nobody that can drop like me The ladies wanna get with me coz they know They aint never seen a player mobe how I move

And when they get with me they wanna stay close Everything is payed for when you makin' dough like me Now everybody throw ur hands out Shorty be shakin' it like she got some for me.

Leave all them troubles hommie and lets pop the bottle Come on now mommi we sippin Dom Perignon

Know that your feelin it when you jump up and holla

Shakin' it shakin' it take it high bring it low

If you wanna love somebody
You need to get up out your seat
If you wanna be ma shorty
Then come and give your love to me

If you wanna love somebody
You need to get up out your seat
If you wanna be ma shorty
Then you gotta come and give your love to me

Lets pop a bottle hommie

Lets just be easy

Leadies know we sippin' Dom Perignon

Know that you wanna a mommi

So lets just be easy

Shakin' in shakin' it take it high bring it low

(Baby I want you love)

If you wanna love somebody
(And I can't get enough)

You need to get up out your seat
(It's you I'm thinkin' of)

If you wanna be my shorty
(Coz you don' wanna walk)

The come and give your love to me
(Common' common')

(But I want you love)

If you wanna love somebody
(And I can't get enough)

You need to get up out your seat
(It's you I'm thinkin' of)

If you wanna be my shorty
(Coz you don' wanna walk)

The come and give your love to me
(Common' common')

(But I want you love)

(Common' common')
(Baby I want you love)
(And I can't get enough)
(It's you I'm thinkin' of)
(Coz you don' wanna walk)
(Common' common')
