

# Moving Target

Massari

Come on

She's like a moving target  
Everytime I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She'll get away

She's like a moving target  
Everytime I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She'll get away

Every time I step up and dance  
She always look away  
But I know she's watching me  
She thinks that I don't know  
What's going down  
It's all up in her eyes  
So I know that she's feeling me  
Can't stop thinking about it  
It's 'bout time I let her know  
Ain't no secret about it  
You want me, girl it shows  
Girl you know  
It feels like a dream  
Cause you're fading outta my life  
And you know  
It hurts when you leave  
But I know that it ain't goodbye  
She keeps moving and keeps moving  
Cause she's my moving target

She's like a moving target  
Everytime I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She'll get away

She's like a moving target  
Everytime I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She'll get away

She's like a mystery to me  
This girl has got me thinking  
And I don't even know her name  
And every time she come around  
She don't know  
But money ain't a thing  
I can make it rain

Can't stop thinking about it  
It's 'bout time I let her know  
Ain't no secret about it  
You want me, girl it shows  
Girl you know  
It feels like a dream  
Cause you're fading outta my life  
And you know  
It hurts when you leave  
But I know that it ain't goodbye  
She keeps moving and keeps moving  
Cause she's my moving target

She's like a moving target  
Everytime I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She'll get away

She's like a moving target  
Everytime I wanna come and get close  
She fades away  
She's like a moving target  
If I don't hurry up and lock that  
She'll get away
