A 211 in progress
Cause i'm the type of nigga that the police can't arrest
I'm going crazy, kickin' down doors
Breakin' in homes, and with my nine, i'm robbin' fuckin' liquor stores
I'm droppin' things on you punk ass bitches
From the streets and I keep 'em all listenin'
Suckas tried to play the P in nine-one
I came with fuckin' rhymes like a shotgun
I'm breakin' 'em like bouldas
A million plus fans and mother fuckas I told ya
That the P would come through like a bullet
Cock the mic like a gauge, grab the handle and then pull it
Don't give a fuck about the radio nigga
Gangsta lyrics that make my mother fuckin' partners bigger
I roll around town four niggas deep
Bumpin' shit like fuck the police
See I can never fuckin' sell out
I was born in the ghetto, so the ghettos what I talk about
One wrong move in the game and your fucked
And if I think your going do me, i'm gonna shoot your ass up
Shoot 'em up, shoot 'em up
Shoot 'em up, shoot 'em up
Shoot
Shoot the mother fuckas up
Shoot 'em up, shoot 'em up
Shoot 'em up, shoot 'em up
Shoot
Shoot the mothe fuckas up
Shoot 'em up, shoot 'em up
Shoot 'em up, shoot 'em up
Shoot the mother fuckas
Shoot the mother fuckas up
Alot of labels try to play in nine-two
They didn't really think the P would come through
And niggas just dissin'
Now I went big time, I got 'em all ass kissin'
I roll in the Benzo, sittin' on Lorenzos
Now the same record company's at my window
I guess they wanna talk, talk about what
Heh, makin' me a star
Well you gotta pay me
Cause to the Underground alone I done sold hella tapes
Thanks to my hookup, my concerts are booked up
The same companies mad they over-looked us
Thick ass contracts to get a nigga stuck
And then my lawyer say you ain't legit, I gotta shoot you up
Shoot 'em up, shoot 'em up
Shoot 'em up, shoot 'em up
Shoot
Shoot them mother fuckas up
Shoot 'em up, shoot 'em up
```
