Whole Hood

He got the whole hood, in his hand He got the whole hood, in his hand He got the whole hood, in his hand He got the whole, hood, in, his, hand

I got them thugs in the south, in my hand I got them thugs in the east, in my hand I got the north and the west, in my hand Ghetto Bill got them in his hand

I'm a fool shorty, so watch me float I'm so gutta so gangsta and I got dough I'm in the Guinness book of records I can never go broke I'm the first kid out the project to get a TV-show man I'm on the block clack and skrilla I don't wear boxers at night, I wear p-millers And my shoes I lay some up when I'm going or walk I'm the first one to put spinning wheels on a luxury car, man I'm ghetto fab, check out my gold grill My Teeth had twisted, they call me Ghetto Bill I'm a no limit soldier but I love the kids Send money to the pence, they doing it big Even though I free ballin', I don't made it big I'm still stuck through the hood trying to save these kids And I do whatever just to save these kids I got the whole hood in my hand

He got the whole hood, in his hand He got the whole hood, in his hand He got the whole hood, in his hand He got the whole, hood, in, his, hand

I got them thugs in the south, in my hand I got them thugs in the east, in my hand I got the north and the west, in my hand Ghetto Bill got them in his hand

Be all u can be, be the greatest like Mohammed Ali Make them love you when they hate to see It's a trip when u fall in your dreams You like donuts and milk, you could buy crispy cream You could be educated and still be a thug You can say no to drugs and still have fun in the club You can be a movie star eternity to the governor And rap like Romeo and still listen to your mother It aint nothing wrong making it out of the hood But never forget were you came from shorty it's all good I'd like to thank BET for believing in me Steven Hill, Ms. (?) my boy Kelly G I've had in bitted myself and I'm back on top I guess, there's one for the boys on the block See I'm a no limit soldier like Chucky Ace Its mister makes them say "Uhh" got it on the craig

He got the whole hood, in his hand He got the whole hood, in his hand

Master P

He got the whole hood, in his hand He got the whole, hood, in, his, hand

I got them thugs in the south, in my hand I got them thugs in the east, in my hand I got the north and the west, in my hand Ghetto Bill got them in his hand
