

Faith Is Still In Season

Master

Pray to god almighty,
Ask him for a chance,
Will you find the reason,
Will you soon advance,
Ask the fallen angel,
You can make a choice Will you find the answer,
Ask your inner voice,

Faith is still in season,
The world is terrified,
In these times of crisis,
The faith is still alive,
Is seeing is believing,
Then I have yet to see, the world has been decieving,
Have you heard the noise,
