

## Line To Kill

Master

As I looked into the eyes of God  
I thought I saw, saw it all  
The prophecy soon fulfilled  
Forming the line, line to kill

Crucify Christ, Turn day into night

Counting the days to forgive  
Thinking of ways, ways to live  
I stepped into the abyss  
And I saw you, I insist

Crucify Christ, Turn day into night  
Take Bush's advice
