

## Lined Up And Punished

Master

Forcing democracy, and losing the game  
Bush's hypocrisy, we should refrain  
Lined up and punished, is this what's called free  
American Justice, it's time to delete

Why, Why, Why, Why

Presence and force, the only way  
Social recourse, a show of strength  
Us or bust, stand up and shout  
Can they lead us, the few the proud

I'll take your life
