

## Pledge Of Allegiance

Master

I pledge allegiance to the flag  
On the United States of America  
And to the republic for which it stands  
One nation under God invisible  
With liberty and Justice for all  
I pledge of allegiance to the shit  
That runs the U.S.A.  
And to this public which I can't stand  
Government  
Inexcusable with poverty and justice  
For all the short haired wimps
