

# Feel the Heat of the Night

Masterboy

Feel the heat of the night  
Everything's alright  
Feel the power of my heart  
Gimme all your love  
All you need is feel right now (3x)  
All you need is feel my love

Jumpin', jumpin' up and down  
From the top, right to the ground  
Free your soul and free your mind  
Now set you free, right on time  
It's weekend and it's party time  
Feel the heat and free your mind  
Put your hands up in the air  
And wave 'em like you just don't care  
Feel the rhythm, stay real tight  
Feel the heat, feel the night  
Let the groove control your move  
Shake your bud and make me hot  
Party people, party dance  
Shake your body and wave your hands  
You know how to do it right  
Feel the heat of the night

Pumpin', stompin', people jumpin'  
People dancin' everywhere  
The DJ's playing music loud  
So wave your hands up in the air  
Move your body and shake your bud  
The rhythm of the music's so hot  
I see you do your turnaround  
On the dancefloor up and down  
Party, party, people party  
Party, people, party dance  
Come on people, move your body  
Shake your body and wave your hands  
Sweat is droppin' down all over my face  
I feel your sex right in this place  
You gotta get this rhythm right  
And feel the heat of the night
