Masterplan

Here I am, fighting alone, searching for destiny
Every man, for one to live just one must see
Side by side, we're walking through shadows... We all must rise
for
Masterplan, coming alive
Masterplan
Masterplan, coming alive
Masterplan
Battle scars, run deep within my weary soul
From near and far, we all must rise young and old
Touch my hand... Follow the vision... Understand the
Masterplan, coming alive
Masterplan
Masterplan, coming alive
Masterplan
Side by side, walking through shadows... Raise your hands for
Masterplan, it's coming alive
Masterplan
Masterplan, coming alive
