

Rabbit One

Masters of Reality

I wish I was a bird
Birds can fly
I wish I was a bird
Birds can fly
I'd be 14 thousand miles away
Before you say goodbye

I wish I was a rabbit
Rabbits can run
I wish I was a rabbit
Rabbits can run
I'd be 15 thousand miles away
Before you shoot your gun

I wish I was a bird
Birds can fly
I wish I was a bird
Birds can fly
I'd be 15 thousand miles away
Before you say goodbye
