

## The Eyes Of Texas

Masters of Reality

The eyes of Texas... are upon you  
The eyes of Texas... are upon you

Now here come the girls  
In that pretty red Ford  
Yeah they're packing the girls  
In that pretty red ford

And out of the engine  
Came the flame with a name  
It burned up my mind  
It made me insane

The eyes of Texas  
Are upon you

I put on my boots And I got down to work  
Yeah I sang her a song  
And I got down to work

And out of the engine  
Came the flame with a name  
It burned up my mind  
It made me insane

The eyes of Texas  
Are upon you

Get me a bottle  
Get me a smoke  
I gotta kick back  
Gotta let it all go

In the middle of nowhere  
Is where I want to be  
In the shade of the pines  
Is where I wants be
