## **Colony of Birchmen**

Mastodon

This forest is growing faster than I can tell Cell structure eats away at a massive swell Seems however I'm a victim of circumstance Hunt for ogres and dwarfs Lion slicer Run with death Run with death White faces coming closer with every step Earth envelopes taking breath without happenstance Carve my teeth out ripping through the sheep's head curse Hunter gatherer Ridden from the cave Run with death Run with death Gone away My heart's gone away Taking everything My heart's gone away Take it now Hunt for ogres and dwarfs Lion slicer Run with death Run with death Gone away My heart's gone away Taking everything My heart's gone away Take it now
