

## Divinations

Mastodon

It's gone away  
It's gone away  
It's gone for good  
Animal spirits come calling me home  
Through the tunnels of brilliant light  
The magnet of wisdom is pulling  
Burrowing faster the fabric of time

No escape  
Binding spirits  
No escape  
Trapped in time space

Rapid descendants  
The wormhole is empty  
The center of Khlysty surrounds me  
The fire is dancing in a silvery sheet of breath  
Black robe  
Necromancing  
Summon the soul of the spectre

No escape  
Binding spirits  
No escape  
Trapped in time space

Fire in the eye  
Realm of mystic majesty

No escape  
Binding spirits  
No escape  
Trapped in time space

Fire in the eye  
Realm of mystic majesty
