

# Girl Like That

Matchbox Twenty

You think this life would make me bolder  
But I'm running scared is all  
I hang on everything about you  
You think I'd settle down cuz I'm older  
But I roll with the changes is all  
I'm same old trailer trash in new shoes

She gets sad when there's nothing going on  
She says it makes her feel damn worthless

Well you got to think with a girl like that  
Any love at all, is better than nothing  
It's better than nothing

I put my hands around your shoulder  
You're saying you're scared is all  
I think I know too much about you  
You think this life would make me colder  
I'd give in to the alcohol  
I put my loving arms around you, child

You knew damn well there was nothing going on  
Is that what makes you feel damn worthless

Well you got to think with a girl like that  
Any love is better than nothing  
It's better than nothing  
You got to think, with a girl like that  
Any love at all, is better than nothing  
It's better than nothing  
Yeah she drags you down and she pulls you up  
She pulls you up  
Says that she's sorry now but it's not enough  
To pull you up  
She's sorry

I wake up quick just like I want to  
Yeah but I stay out much too late  
You think this life can get a bit unkind but she stays  
Down till the worth is gone  
And pulls you up, she pulls you up,  
She pulls you up and over, over

Well you got to think with a girl like that  
Any love is better than nothing  
It's better than nothing  
You got to think, with a girl like that  
Any love at all, is better than nothing  
It's better than nothing  
Yeah she drags you down and she pulls you up  
She pulls you up  
Says that she's sorry now but it's not enough  
To pull you up  
She's sorry

Well you got to think with a girl like that  
Any love at all, is better than nothing

It's better than nothing

I put my hands around your shoulder  
You're saying you're scared is all  
I think I know too much about you  
You think this life would make me colder  
I'd give in to the alcohol  
I put my loving arms around you, child

You knew damn well there was nothing going on  
Is that what makes you feel damn worthless
