

# I'll Believe You When

Matchbox Twenty

1. I've tried so many times to tell you how I feel  
But you're far too disbelieving, are you trying to get even  
with me  
Maybe once or twice I wasn't fair I wasn't nice  
But now I've got myself together, when I promise to be better  
You say

R: Whoa, I'll believe you when  
Whoa, I'll believe you when  
Whoa, When everything you say don't turn out wrong  
Whoa, I'll believe you when  
Whoa, I'll believe you when  
Whoa, When everything you say don't turn out wrong

2. I could call you everyday, send presents by the score  
And I could send you pretty flowers, have them waiting at your door  
I could write up in the sky, 'Forgive me I apologize'  
Still if I went through every measure, with my promise to be better  
You'd say

R:

There's nothing you can say that I haven't tried  
Nothing I can do will ever change your mind  
Maybe I'd do better, if I told somebody else
