

Like Sugar

Matchbox Twenty

I'm walking behind you
Calling the way you, give away all your secrets
You're taking the high road
Picking your battles, just like the day I found you

I just wanna make you go away
But you taste like sugar, yeah you taste like sugar
I just wanna make you go away
But you taste like sugar, yeah you taste like sugar

Whoa, oh oh oh, whoa whoa
Whoa, oh oh oh, whoa whoa

I'm starting to want you, more than I want to
This ain't my finest hour
There's something about you, that I could get into
Something that's deep inside you

I just wanna make you go away, yeah
But you taste like sugar, yeah you taste like sugar
I just wanna make you go away
But you taste like sugar, girl you taste like sugar

Whoa, oh oh oh, whoa whoa
Whoa, oh oh oh, whoa whoa

If, I, turn, away, away
I'll, come back, some day.
Oh

I just wanna make you go away
But you taste like sugar, yeah you taste like sugar
I just wanna make you go away
But you taste like sugar, girl you taste like sugar

Whoa, oh oh oh, whoa whoa
Whoa, oh oh oh, whoa whoa
