Matchbox Twenty

She said I don't know if I've ever been good enough
I'm a little bit rusty, and I think my head is caving in
And I don't know if I've ever been really loved
By a hand that's touched me, and I feel like something's gonna give
And I'm a little bit angry, well

This ain't over, no not here, not while I still need you
Around
You don't owe me, we might change
Yeah, yeah we just might feel good

I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted
I wanna take you for granted
Yeah I will, I will

Well I will

She said I don't know why you ever would lie to me
Like I'm a little untrusting, when I think that the truth is
Gonna hurt ya
And I don't why you couldn't just stay with me
You couldn't stand to be near me
When my face don't seem to want to shine, 'cause it's a little bit dirty well
1

Don't just stand there, say nice things to me
I've been cheated I've been wronged, and you
You don't know me, yeah well I can't change
well I won't do anything at all

Oh but don't bowl me over
Just wait a minute well it kinda fell apart, things get so
Crazy, crazy
Don't rush this baby
Don't rush this baby, baby

I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted
Yeah, yeah, yeah
I wanna take you, take you
Yeah I will, I will
And I will, I will, I will
And I will, I will, I will
Yeah,
Push you around
Yeah you down
I wanna push you around
Yeah I will.
