Crazy

Material Issue

Have you seen her? Yeah I've seen her before How's she doin'? Same way as before Like a flower she breaks Through the showers into my heart

How'd you meet her? A friend of a friend I guess When you see her you'll be, oh, so impressed When she smiles, it just drives me wild all the time

I, I go crazy, I go crazy without you
I, I go crazy, I go crazy
I go crazy when I'm without you

Have you heard? Yeah the words on the street She's the one, they're all dying to meet Like a flower she bursts Through the showers into my heart

Can you believe her? She's everything that I need With a face that's stolen from a magazine When she smiles, it just drives me wild all the time

I, I go crazy, I go crazy without you
I, I go crazy, I go crazy
I go crazy when I'm without you, I
