Out Right Now

Material Issue

Well if the birds in your sky discontinue to fly tell me why te ll a lie can't I have your love? And if the leaves in your tree s if they sway with the breeze tell me dear tell me please, hav e you had enough? And she said...

Well I'm out right now, but I might be back in the morning. I'm out right now. Leave your name and number on the recording.

If the car that you drive, if it suddenly collides, can I give you a ride, can I take you home? And if the words that I say ma ke you run, run away tell me now yeah today, have you heard em all? And she says...

Well I'm out right now, but I might be back in the morning. I'm out right now. Leave your name and number on the recording.

Well I've been waiting so long, I've been feeling so strong, I think about you on a warm afternoon. You're only breaking my he art, but that's the very best part. I hope I see you, and I hop e it's soon.

If the things that I say make you run, run away, tell me now ye ah today, have you had enough? And if the words that you hear, if they dis disappear tell me now tell me clear, have you had it all? And she says...

Well I'm out right now, but I might be back in the morning. I'm out right now. Leave your name and number on the recording.
