

# These Days

Mates of State

I've been out walking  
I don't do too much talking these days  
these days I seem to think a lot about the things i forgot to do  
and all the times I've had the chance to

I stop my rambling  
I don't do too much gambling these days  
these days I seem to think about a lot the changes that came by  
my way  
and i wonder if I'll see another highway

I had a lover  
I don't think I'll risk another these days  
these days and if i seem to be afraid to live the life I've made in song  
it's just that I've been losing some love

and I'd stop my dreaming  
I don't do too much dreaming these days  
these days I sit on corner stores and count the times their quarter counts to ten  
please don't confront me with my failures  
because I have not forgotten them
