

Broke lover

Matmatah

I met you, it was night
Got you thru' the jungle, right
Was it you ? Was it me ?
Was it just me falling in love with you ?
I'm a cutie, so pretty broke lover ha ha
Burn a hole in my pocket, baby
Put a kiss in, put a spell
You love me as you can
But our love is just a flash in the pan
I'm a cutie, so pretty broke lover ha ha
Twist me around your little finger
Just like money smiled to me
Now I'm down on my knees
Baby sold me down the river
Here I'm broke as an old dead tree
I'm a cutie, so pretty broke lover ha ha
Wish I had insured the tears
I wasted for you
Wish I had insured each and every tear
I left you
I'm a cutie, so pretty broke lover ha ha
Baby did me dirt
