

## Ordinary Day

Matt Bianco

This big-time ride is all I know  
A picture-perfect life on show  
Stellar nights that never end  
And people claim to be your friend

But you are the one I need  
No place I'd rather be  
Here only I can breathe  
Love is a simple thing for free  
Please don't take that away from me  
Forgive me if it sounds mundane

What matters now is our ordinary day  
ordinary day  
What matters now is our ordinary day  
ordinary day, ordinary day

Don't say big words or even try  
To build me castles in the sky  
No clever tales if true who knows?  
I choose the plainly spoken prose

But you are the one I need  
No place I'd rather be  
Here only I can breathe  
Love is a simple thing for free  
Please don't take that away from me  
Forgive me if it sounds mundane

What matters now is our ordinary day  
ordinary day  
What matters now is our ordinary day  
ordinary day, ordinary day

cause you are one i need  
there's no place i'd rather be  
cause love is free and simple  
please you can't take that away from me  
excuse me if it's all the same  
what matters now is our ordinary day

What matters now is our ordinary day  
ordinary day  
What matters now is our ordinary day  
ordinary day, ordinary day
