

Take Away The Lonely

Cab, Matt

Take away the lonely

It's a rainy day, and I'm staring at my cellphone
Waiting for your call
Won't you call?
Wanna hear your voice
Will you say my name
And hold you in my arms

Come to me, come to me
Cause I can't get enough
Can't get enough
Come to me, come to me
Girl I'm fiending your touch
Fiending your touch
Wanna see you everyday, everyday
Girl you take the pain away
You do something to me

You take away the lonely
You saved me when you chose me
You healed my heart with all your love
And I'm thankful baby
Cause you take away the lonely
Girl you take away the lonely, yeah

Now it's 2AM and I can't fall asleep cause
You're still on my mind, on my mind
So I lie awake, waiting for the day
I'll hold you in my arms

Come to me, come to me
Cause I can't get enough
Can't get enough
Come to me, come to me
Girl I'm fiending your touch
Fiending your touch
Wanna see you everyday, everyday
Girl you take the pain away
You do something to me

You take away the lonely
You saved me when you chose me
You healed my heart with all your love
And I'm thankful baby
Cause you take away the lonely
Girl you take away the lonely, yeah

Used to think I'll never fall in love
But you came down from above
And you took the pain away
Could it be, I've had my last lonely day?
Take it away

You take away the lonely
You saved me when you chose me
You healed my heart with all your love

And I'm thankful baby
Cause you take away the lonely
Girl you take away the lonely, yeah.
