

# Hanging From Your Heartstrings

Matt Cardle

Baby you can say you're happy  
And you landed on your feet  
But you're still falling and it isn't gravity  
It's me hanging from your heartstrings

I know every time you're coming  
You just and watch and read  
Cause you're not ready  
To hear everything

Untie me girl  
Come cut me down  
Cause I can't breathe  
Hanging from your heartstrings

If you can't hear me  
Then you won't see me  
Then you'll never, never know  
You'll never, never know

That I'm dying slowly  
On my heart's last beasts

Oh but I know, I know, I yea  
I know, I know  
That you'll find me  
Oh dead or alive  
You will find me  
Hanging from your heartstrings

Come cut me down  
Come cut me down

Cause you're still falling and it isn't gravity  
It's me, oh it's me

If you can't hear me  
Then you won't see me  
Then you'll never, never know  
You'll never, never know

That I'm dying slowly  
On my heart's last beasts

Oh but I know, I know, I yea  
I know, I know  
That you'll find me  
Oh dead or alive  
You will find me  
Hanging from your heartstrings
