

Lighthouse

Matt Corby

The light of home
Burned out and dark now
You held me captive
The thief that takes it all, from me
A love not to return

Still daylight comes back
But you stay silent
The books you're buried in
Blind your tale
Walk on my dear
Stand firm
Don't you show your face

The light of home
Burned out and dark now
You held me captive
A thief who takes it all, and no more

Light of home
Oh oh
I feel like I'm falling I've just got
To close my eyes and I'm looking for something
To recognize

The light of home
Burned out and dark now
You held me captive
The thief that takes it all
No more
A love not to return
Light of home
