

Can You Tell Me

Matt Costa

Can you tell me what I need to know
To paint a picture like Picasso?
Can you give me the tool that's right
And make a masterpiece of my life?

Make one simple and make one grand
One Michelangelo and one Cezanne
Frame the strangeness inside your mind
Open the curtains, open them wide

Chaos will turn into grace, brush my eyes
With colors shapes and lines changing frame of mind

So can you tell me what I need to know
To paint a picture like Picasso?
Can you give me the tool that's right
And make a masterpiece of my life?

That's what I need
That's what I need
That's what I need
That's what I need

That's what I need
That's what I need
That's what I need
That's what I need

That's what I need
That's what I need
That's what I need
That's what I need

That's what I need
That's what I need
That's what I need
That's what I need

That's what I need
That's what I need
That's what I need
That's what I need

Can you tell me
Can you tell me
Can you tell me
That's what I need

Can you tell me
Can you tell me
Can you tell me
That's what I need
