

Eyes For You

Matt Costa

Once in a town in a far away place
There's a boy who sits waiting alone
Dreams of your town and the people you're sitting with
All of them with you right now
Oh how you cry... I don't know

Talking 'bout people who talk about you
Still I can't see the truth
I know a boy who'd just love to be talked to
Just eye to eye, seeing blue
And now I do, now I do

Eyes for you, just for you
Eyes for you, just for you

Now there's a home and it's inside my heart
And there we'll never part
I gave it to you and I'll always come through
When you cry, I feel it too,
I feel it too... I do

Eyes for you, just for you
Eyes for you, just for you
Just for you.
