

History Repeating

Matt Dusk

The word is about, there's something evolving,
whatever may come, the world keeps revolving
They say the next big thing is here,
that the revolution's near,
but to me it seems quite clear
that it's all just a little bit of history repeating

The newspaper shouts a new style is growing,
but it doesn't know if it's coming or going,
there is fashion, there is fad
some is good, some is bad
and the joke is rather sad,
that its all just a little bit of history repeating

- and I've seen it before
- and I'll see it again
- yes I've seen it before
- just little bits of history repeating
- and I'll see it again

Some people don't dance, if they don't know who's singing,
why ask your head, it's your hips that are swinging
life's for us to enjoy
woman, man, girl and boy,
feel the pain, feel the joy
aside set the little bits of history repeating

- and I've seen it before
- and I'll see it again
- yes I've seen it before
- just little bits of history repeating.
