Please Please Me

Matt Dusk

Last night I said these words to my girl I know you never even try girl Come on, come on, come on, Please please me like I please you.

You don't need me to show the way love Why do I always have to say love Come on, come on, come on, Please please me like I please you.

I don't want to sound complaining
But you know there's always rain in my heart.
I do all the pleasing with you
It's so hard to reason with you.

Oh yeah why do you make me blue.

Last night i said these words to my girl

I know you never even try girl

Come on, come on, come on,

Please please me like I please you - you.
