

Yea Yeah

Matt & Kim

Forget your court date
Lock me away, the world waits
Cuffs cut deep to the bones
We're trying to sleep, we're trying to sleep
I hope these hands, woahh-ohh-ohh
Can turn back time
I want time to be a game and we're losing this one,
But still i'm sane

Yea yeah
Yea yeah
Yea yeah

You stole tapes and a flashlight
On a summer night from my car
I found something in a lightening storm
With heavy rain and thunder like melted storm, yeah
When everything seems to wash away
I walk here with just two feet on the ground
Ground, ground, ground, ground, ground!

Yea yeah
Yea yeah
Yea yeah

Lock me up, officer
What a mistake i made
Yea yeah, take me away
I say this to myself
Close the door on myself
Yea yeah, take me away
I found something in a lightening storm
With heavy rain and thunder like melted storm, yeah
When everything seems to wash away
I walk here with just two feet on the ground
Ground, no, no, no, no!

Yea yeah
Yea yeah
Yea yeah
