Alive Again

Matt Maher

I woke up in darkness surrounded by silence Oh where, where have I gone? I woke to reality losing its grip on me Oh where, where have I gone?

'Cause I can see the light before I see the sunrise

You called and You shouted Broke through my deafness Now I'm breathing in and breathing out I'm alive again

You shattered my darkness Washed away my blindness Now I'm breathing in and breathing out I'm alive again

Late have I loved You You waited for me I searched for You What took me so long?

I was looking outside As if love would ever want to hide I'm finding I was wrong

'Cause I could feel the wind before it hits my skin

You called and You shouted Broke through my deafness Now I'm breathing in and breathing out I'm alive again

You shattered my darkness Washed away my blindness Now I'm breathing in and breathing out I'm alive again, I'm alive again

'Cause I want You, yes, I want You, I need You And I'll do whatever I have to just to get through 'Cause I love You, yeah, I love You

You called and You shouted Broke through my deafness Now I'm breathing in and breathing out I'm alive again

You shattered my darkness Washed away my blindness Now I'm breathing in and breathing out I'm alive again
