

All Glory To God

Matt Maher

Everything I say and do,
everything I am to you,
oh, I pray that you will know.
Whatever is good in me,
wherever there's joy to see,
hear me say it's not my own.

[Chorus:]
All glory to God,
all honor is his,
no other is worthy of his name.
All glory to God,
I'll always be his,
forever I'll live to sing his praise.

Everyday I know I'm blessed
just to know my heart,
it rests in his hands
that gave me life.
But you know I won't forget
what he's done for me,
you bet I'm amazed every time.
So I'm singing....

[Chorus x2]
