

## Garden

Matt Maher

In the cool of the day  
You come and meet me  
All the blue fades away  
The stars are winking

Your love's so strong  
I can't recall  
What was this thing  
They called the fall?

And You walk with me  
You never leave  
You're making my heart a garden

Oh, why would I hide  
Away from Your face  
When the light of Your love  
Illuminates?

Your hand in mine  
A steady line  
Drawn on my heart  
And deep in my mind

And You walk with me  
You never leave  
You're making my heart a garden

All the broken are mending  
The mournful rejoicing  
Seeing through tears  
Of peace overflowing

And You walk with me  
You never leave  
You're making my heart a garden

Yeah, You walk with me  
You never leave  
You're making our world a garden
