

I Rejoice

Matt Maher

Underneath the shadow
Underneath the shadow
Underneath the shadow of Your wings
Lord and King
You cover me

I rejoice, I rejoice
I rejoice, I rejoice
In You, in You
I rejoice in You
In You, in You
I rejoice in You

Underneath the shadow
Underneath the shadow
Underneath the shadow of the cross
You bore the cost and death has lost

I rejoice, I rejoice
I rejoice, I rejoice
In You, in You
I rejoice in You
In You, in You
I rejoice in You

Arms spread out like eagle's wings
As love lays out a wedding feast
Your body and Your blood
And now we have become
Your sons and Your daughters

In You, in You
I rejoice in You
In You, in You
I rejoice in You
