

On My Way

Matt Maher

Can a lost man find his way back home
Can a lost man find his way back home
Well, how can you go home again
If you're not sure you've ever been
Can a lost man find his way back home

Can a rich man work to save his soul
Can a rich man work to save his soul
You can add up all the things you've done
For every good deed, there's a million bad ones
Can a rich man work to save his soul

Well, I'm on my way, I can't get there on my own
At Heaven's gate, no one's getting through alone
So as I wait for You to come and take me home
I'm a-walkin' in the light with You to Kingdom come

Can a blind man finally see the light
Can a blind man finally see the light
Well, if you were in the dark your whole life
Could you tell what the light looks like
Can a blind man finally see the light

Well, I'm on my way, I can't get there on my own
At Heaven's gate, no one's getting through alone
So as I wait for You to come and take me home
I'm a-walkin' in the light with You to Kingdom come

Can a dead man come back to life
Can a dead man come back to life
For this I know, I'm only alive
Because of a man they call Jesus Christ
I'm a dead man walking come back to life

Well, I'm on my way, I can't get there on my own
At Heaven's gate, no one's getting through alone
So as I wait for You to come and take me home
I'm a-walkin' in the light with You to Kingdom come
I'm a-walkin' in the light with You to Kingdom come
Hey, walkin' in the light, walkin' in the light
