## Let It Go

**Matt Morris** 

Please lay down next to me Next to me Hear me loud Let me speak Let me speak Please, let it fall Let it fade Let it go Please, let it fall Let it fade away Let it go Words that I didnt mean Didnt mean Made you cry quietly...quietly So please, let it fall Let it fade Let it go Please, let it fall Let it fade away Let it go Please, let it fall Let it fade Let it go Please, let it fall Let it fade away Let it go
