

# Money

**Matt Morris**

Money matters when you're broke, when you're broke  
And money fixes for awhile.  
If you got money if your wallet you got permission  
To enjoy yourself for awhile.

But money burns, Money turns the very best into the  
worst criminal child  
Money matters, money kills, money makes the world go  
round

Money, money ain't the villain  
Money its greed thats the killer  
Money, money ain't the villain  
Money, its greed thats the killer

Dollar bills buying pills giving thrills in the evening  
sunset light  
Middle seat in the back in between a couple hooligans  
sunset light  
Light em up let em down i'm going downtown to find some  
play tonight  
Dollar bills give em thrills in the back of their best  
friends ride

Money, money aint the villain  
Money its greed thats the killer  
Money, money aint the villain  
Money, its greed thats the killer

Penny quarter nickel and dime  
How you make change without money  
Penny quarter nickel and dime  
How you make change tell me how you make change without

Money money ain't the villain  
Money its greed thats a killer
