Matt Morris

Money matters when you're broke, when you're broke And money fixes for awhile. If you got money if your wallet you got permission To enjoy yourself for awhile.

But money burns, Money turns the very best into the worst criminal child
Money matters, money kills, money makes the world go round

Money, money ain't the villain Money its greed thats the killer Money, money ain't the villain Money, its greed thats the killer

Dollar bills buying pills giving thrills in the evening sunset light
