

# All We Are

Matt Nathanson

I tasted, tasted love so sweet  
And all of it was lost on me  
Bought and sold like property  
Sugar on my tongue

I kept falling over  
I kept looking backward  
I went broke believing  
That the simple should be hard

All we are we are  
All we are we are  
And every day is a start of something beautiful

I wasted, wasted love for you  
Trading out for something new  
Well, it's hard to change the way you lose  
If you think you've never won

'Cause all we are we are  
All we are we are  
And every day is a start of something beautiful

And in the end the words won't matter  
'Cause in the end nothing stays the same  
And in the end dreams just scatter and fall like rain

'Cause all we are we are  
All we are we are  
And every day is a start of something beautiful, something real

All we are we are  
All we are we are  
And every day is a start of something beautiful, beautiful
