Oh, oh (headphones on on)

Cinderella's gone to New York City  
Wants to shave her head and disappear  
18 years of never feeling pretty  
Says she's finally thinking clear  
Ain't too proud to swim or drown now baby  
Ain't too proud to sink or see it through

She said  
Everybody wants to be with me  
I got all I need (all I need)  
I feel invincible with my headphones on  
Everybody posed for magazines (oh)  
It's all just noise to me (noise to me)  
I feel invincible with my headphones on  
Oh (my headphones, headphones)  
Oh (my headphones on)

If anybody comes around to find me (oh oh oh)  
If anybody asks for me she said (ah ah ah)  
Tell 'em all I'm in the deep end singing (oh oh oh)  
With this music in my head  
Ain't too proud to swim or drown now baby (ain't too proud)  
Ain't too proud to sink or see it through

She said  
Everybody wants to be with me  
I got all I need, (all I need)  
I feel invincible with my headphones on  
Everybody posed for magazines (oh)  
It's all just noise to me (noise to me)  
I feel invincible with my headphones on  
Oh (my headphones, headphones)  
With my headphones on  
I feel invincible  
With my headphones on

People talking in their sleep  
Can't see the forest for the trees  
It's all scratch ticket lottery (ooh-ooh) oh oh oh  
Brave new world, same old crowd  
Good things whisper, bad things shout  
But I don't hear 'em now (oh)

She said  
Everybody wants to be with me (be with me)  
I got all I need (all I need)  
I feel invincible with my headphones on  
Everybody posed for magazines (oh)  
It's all just noise to me (noise to me)  
I feel invincible with my headphones on  
Oh (my headphones, headphones)  
With my headphones on  
I feel invincible  
With my headphones on  
Oh (my headphones, headphones on)

My headphone on  
I feel invincible with my headphones
