

# I Saw

Matt Nathanson

And it's amazing  
With the look in your eyes  
Like you could save me  
But you won't even try  
And then you tell me again  
How everything will be alright

And if I told you  
That I'm sorry  
Would you tell me that you were wrong  
Or would you hold me down forever  
If I came to your for answers

And I saw  
Pictures in my head  
And I swear I saw you opening up, again

And I'm surrounded  
You spill  
All alive and brand new  
And I'll forget about you long enough  
To forget why I need to

And I saw  
Pictures in my head  
And I swear I saw you opening up again  
Cause I would be heavenly if  
Baby you'd just rescue me now

The days are  
Drifting away from me  
I still wake up  
Burning through everything now

And I saw  
Pictures in my head  
And I swear I saw you opening up again  
I would be heavenly if  
Baby you'd just rescue me now  
Pictures in my head  
I saw you opening up again  
Cause I would be heavenly if  
Baby you'd just rescue me now
