

## It's Over

Matt Pond PA

To begin where I once left off  
Is a trail  
I am descending  
If words were more, picture the depth of trees  
There's no start, can't see the ending  
We'll say that it's over it's over  
We'll say that it's over it's over

where river waters are deemed too deep  
You sort of float on weak conclusions  
For lack of reason, for lack of truth  
Throw out your mind  
It's a vacation  
We'll say that it's over, it's over  
We'll say that it's over it's over
