

Loralai

Matt Pryor

Loralai I did not cry
On the day we said goodbye.
The whole world did stop spinning for an hour.
I don't want you to know,
That I don't want you to go,
Because you've got my only set of keys.

Love is strange,
We're estranged.
In fact, I think it's been over a year.
Oh what's there to do?
Have to find a love a'new,
She just can't hold a candle Loralai.

Loralai I've got the time,
There are papers here to sign,
A notary to mind the document.
I've been lying at you straight,
It's a painful game we've played,
It only got more painful when we split.

We were square, without a care,
Then you had to go and steal my car.
Oh where's there to go?
Circumnavigate the globe.
I'll never find another Loralai,
I'll never find another Loralai.
