

Beautiful News

Matt Redman

Joy is the theme of my song,
And the beat of my heart,
And that joy is found in You.
For You showed the power of Your cross
And your great saving love,
And my soul woke up to You.
I heard Your beautiful news;
Grace so amazing, so true...

Shout it out, let the people sing
Something so powerful should shake the whole wide world.
Make it loud, make it louder still;
Saviour we're singing now to celebrate Your beautiful news.

There's a God who came down to save
Showed the world His amazing grace
There's a God who came down to save
And He calls your name
