

Fires

Matt Redman

You will keep the fires burning (4x)

We're standing in the desert of dry bones
But still we see Your life
Walking through the valley of shadows
But holding onto light
And we're waiting, waiting on You God
And our hearts will trust, trust in who You are

God who keeps our fires burning
Burning through the darkest night
See the hope in our hearts
The faith in our eyes
You can move the highest mountain
You can keep our dreams alive
You're the joy of our hearts
You're the fire in our eyes

We're standing in the desert of dry bones
But still we see Your life
Walking through the valley of shadows
But holding onto light
And we're waiting, waiting on You God
And our hearts will trust, trust in who You are

God who keeps our fires burning
Burning through the darkest night
See the hope in our hearts
The faith in our eyes
You can move the highest mountain
You can keep our dreams alive
You're the joy of our hearts
You're the fire in our eyes

Light up our lives with holy flame
All for the honor of Your name
Give us the strength to face the day, Jesus
Light up our lives with holy flame

You're the fire in our eyes
