

Light Of The World

Matt Redman

O Jesus son of God , so full of grace and truth
The Father's saving Word, so wonderful are you
The Angels longed to see, and prophets searched to find
The glory we have seen revealed

You shone upon the earth, but who will under stand?
You came unto Your own, but who will recog nise?
Your birth was prophesied, for You were the Messiah
Who came and walked upon the Earth
Your glory we have seen, the one and only King
And now You're living in our hearts

Light of the world, light of the world
Light of the world, You shine upon us

In You all things were made and nothing without You
In heaven and on earth all things are held in You
And yet You became flesh, living as one of us
Under the shadow of the cross
Where, through the blood you shed, You have made peace again
Peace for a world that God so loves

And yet You became flesh, living as one of us
Under the shadow of the cross
Where, through the blood you shed, You have made peace again
Peace for a world that God so loves
