

Raise A Voice

Matt Redman

Now let's shout You out around the world
Now let's sing it out around the earth
Come on church, come on church
Raise a voice, raise a voice
Tell your God how great He is
Tell the world how great He is
Tell our God, tell our God how great He is
Tell the world how great He is
Yea!!!
Your glory, Your glory
It's Your glory
It's Your glory
It's Your glory
All the angels know it as they sing their songs to You
All those elders know it as they bow down before You
The living creatures know it as they speak their endless praise
And we will join that song here upon the earth
We will raise voice in praise of You
We will raise voices in praise of You
Oh!!!!!!!!!!
Oh!!!!!!!!!!
Lift a shout to the King
Oh!!!!!!!!!!
Lift a shout to the King above all kings
Oh!!!!!!!!!!
It's Your glory
It's Your glory
It's Your glory
It's Your glory
It's Your glory
It's Your glory
Yes Lord!!!
Yes Lord!!!
You alone!!!
You alone!!!
We worship You!!!
We worship You!!!
You alone!!!
You alone!!!
You alone!!!
You're the King of glory
You're the King of glory
You're the One and the only
You're the One and the Only
