

Revelation

Matt Redman

We do not worship an unknown God
For You've revealed Yourself to us
And the more we see, the more we love
This revelation of Your heart
And we are falling, falling, falling
We are falling so in love with You

Beyond all question, You're a mystery
We have known the shallows of the mighty deep
Unsearchable greatness of a holy God
Yet day by day You reveal Your heart
And we are falling, falling, falling
We are falling so in love with You

Well, how could hearts not love Your Name
While all creation sings Your praise
And every breath points back to You, Jesus?

Now in part we see You, then face to face
And we'll know You fully, as we're fully known
And the depths of glory You now hide away
They will be revealed on that glorious day
And we are falling, falling, falling
We are falling so in love with You
